

Family Stay Materials - Photo Collage Instructions

As part of your exchange experience, we ask each student to create a photo collage that will be shared with your French host family. This collage should reflect your daily life, family and personal world - helping your host family get to know you before your arrival.

What to include:

- 6 photos maximum
 - Show yourself, your family or parents, close friends, pets, and everyday life.
 - Choose high-quality photos that are clear, well-lit, and personal.
 - Avoid blurry or too dark pictures.
 - Please write a short description explaining who or what is on the picture.
-
- Format: Vertical (Letter US)
 - File type: JPEG or PDF
 - Minimum resolution: 300 dpi (pixels per inch) for print quality
