Vistas In Education, Inc. (VIE) understands that circumstances may change and that participants may occasionally need to cancel their involvement in a travel program.

Because VIE makes significant time and financial commitments in advance on behalf of each participant, cancellation fees reflect planning work completed prior to the withdrawal.

Key Policy Points:

Payments are non-transferable. Funds cannot be moved from one participant's account to another. Cancellation fees apply regardless of whether additional participants join the group after an individual cancels.

Credit card processing fees are non-refundable. These fees are not included when calculating the cancellation fee.

Refund processing timeline. VIE processes applicable refunds within 60 days of receiving written notice of cancellation. Refunds are issued through WeTravel using the original payment method on file. Each payment will be refunded separately.

Insurance provided by VIE covers medically related causes affecting the participant or a member of their immediate family. The maximum included coverage (\$500) is applied against the loss incurred as of the date VIE receives the written cancellation. A physician's signed statement is required for any medical claim.

Additional Upgrade – Increased Trip Coverage must be elected at the time of registration through the WeTravel portal. Participants may purchase this optional higher-limit coverage for greater protection.

Cancellation fees. Please refer to the cancellation fee schedule below for detailed fee information.

All cancellation requests must be submitted in writing by email to Vistas In Education, Inc.

Cancellations made by phone or through the Organizing Teacher will not be accepted.
